Our people power everything from back-office operations to finance and accounting departments and beyond. If you're ready to focus on what really matters, we're here to help.

Accounting & Bookkeeping

Tax Preparation

Tax Returns

Financial Data Entry

Accounts Payable

Payroll process & Management

OUR PROCESS

RECEIVE THE DOCUMENTS

You may submit the scanned tax documents via secured email or alternatively, upload them to an FTP server.

01

DATA VERIFICATION

The tax return from the software is audited thoroughly and doubly checked to see that all information is correct and has been accounted for

03

FINAL FILING

Once your comments and amendments are made the return is finalized and sent to you for filing.

05

02

DATA ENTRY

Once the documents are received by us, our personnel at the tax services team will enter the data in the tax return software that you choose

04

CLIENT REVIEW

The completed returns are sent to you via fax or FTP for your review. You can then append your comments and questions
